

## Best Practice Paper Assignment Information

### Description:

A Best Practice Paper documents your best work as an arts educator and how you help students to achieve. It provides you an opportunity to publish data about student achievement in the arts (in your classroom), how an art form integrated with other areas, or any other practice you would like to share with people (especially Utah arts educators). Publishing Best Practice Papers can help to establish the arts as a core academic subject AND help the Utah Arts Educators document student / teacher work.

### Specific Information Needed:

Name

Email Address

Grade Level

Subject

Description of Practice (Note the graph created in Excel and used in the sample)

How Practice Improved Class (Note the listed Music Core standards/objectives)

How Practice Linked to Literacy

How Practice Linked to Numeracy

Suggested Use Across Curriculum

\*The paper should be no longer than 2 pages.

*Submit your Best Practice Paper to your District Arts  
Coordinator on / before May 1.*

Your District Arts Coordinator will take the steps necessary to publish your paper on line via links from the USOE website. Carol Ann Goodson, State Fine Arts Director, will provide you with 10 relicensure points / year for your Best Practice Papers.
